

Dr. Curt Rois Aron Coutinho

MBBS | Junior Resident — Cardiology & Neurology

Margao, Goa, India | +91 95884 02767 | curtcoutinho5@gmail.com | curt.celabe.com

Professional Summary

MBBS graduate of Goa Medical College and current Junior Resident with hands-on experience across the Departments of Cardiology and Neurology, including seven months of ongoing cardiology residency. Strong clinical exposure and independent procedural skills, with a focus on patient-centred care, emergency medicine and critical care. Disciplined and adaptable — qualities honed as a national-level badminton player — and committed to continuous professional development. AMC MCQ cleared and IELTS Band 7; seeking residency, observership and clinical opportunities internationally.

Registration & Eligibility
